**Subject: Regarding Accreditation Fee.**

Kindly refer to the subject noted above.

It has come to the notice that many institutions are charging Rs. 1000/- as accreditation charges from the students even where the courses have not been got accredited by NBA. As per the terms of the State Fee Committee, the accreditation fee is allowed for the courses which have been granted accreditation by National Board of Accreditation. The status on getting accreditation has to be intimated to SFC/Department also. You are, therefore directed to intimate all the charges which are being charged by your institute. Any charges, other than those intimated to SFC shall be termed as overcharging and any complaint in this regard shall be liable for action as deemed fit. The fee including other charges, if any, are to be strictly as per the terms of the State Fee Committee and the details have to be intimated to SFC/Department.

This is for information and strict compliance please.
