Note

- 1) All the Principals are requested to relieve the concerned faculty as per schedule given above.**
- 2) The morning shift will be from 9.25 AM to 1.00 PM and the evening shift will be from 1.00 to 4.35PM.**
- 3) The evening shift will be the repetition of the morning shift**
- 4) In Engineering courses, the lectures will be delivered on Tuesday, Wednesday and Thursday (4 Lectures daily for each shift)**
- 5) In applied science, the lectures of English and Chemistry will be alternatively delivered on Monday & the lectures of Mathematics and Physics will be alternatively delivered on Friday.**
- 6) All the Principals will ensure that students of respective branch should attend the lecture through EDUSAT as per time table.**
- 7) The institute having single shift are requested to adjust the time table either with morning or evening shifts as per their convenient because the topic/content for both shifts are same.**
- 8) The time table of the institute may be adjusted accordingly and all Principals are requested to submit the copy of their adjusted Time Table to Joint Director (EDUSAT) by 25th August 2009 positively.**
