Subject: Short Term Programme on "Energy Efficient Buildings"
wef 23-27 August 2010 at NITTTR, Chandigarh.

Dear Sir/Madam,

The Department of Rural Development is going to organize a short term course on "Energy Efficient Buildings" wef 23-27 August 2010 at NITTTR, Chandigarh.

The importance of energy efficient buildings has assumed great urgency today. In light of fast depleting energy resources, energy scarcity and increasing environmental pollution, innovative ways to cut down energy consumption are necessary. The construction industry is one of the largest energy consuming sectors. In modern buildings significant amounts of energy are also consumed to keep the building environment comfortable. Estimates suggest that about 20-25 percent of the total energy demand is due to manufacturing materials required in the building sector, while another 15 percent goes into the running needs of the building like lighting, air-conditioning, room heating and ventilation etc. Increased development of housing and commercial buildings has imposed immense pressure on our dwindling energy sources. The availability of energy is limited and known resources of energy are exhausting fast. Therefore, energy efficiency is assuming importance in different sectors. In view of the global energy crisis and increasing energy demand is expected to continue and apart from possible end-use restrictions, energy efficiency and energy management and essentially required.

In view of the importance of CDTP Scheme in the context of our nation's development, you are requested to kindly sponsor 1-2 faculty and functionaries of CDTP Scheme from each polytechnic of your state for attending this programme on "Energy Efficient Buildings" wef 23-27 August 2010 at NITTTR, Chandigarh.

NITTTR Chandigarh will pay TA/DA to the Govt./Govt. Aided Polytechnics/Institutions, as per central government rules applicable to this institute. Please note that TA is restricted to III Tier AC to the sponsored participants. In case of candidates from Private/Self-Financing institutions, TA/DA may be borne by the polytechnics out of recurring grant provided by MHRD, GOI under CDTP Scheme since no TA/DA will be paid to them by NITTTR, Chandigarh.

Looking forward to your sponsorship of faculty members and CDTP Scheme functionaries for attending the above mentioned training programme.

Thanking you,

Yours Sincerely,

(Dr. J S Saini)
