

Clarification regarding Fee

1. Fee chargeable from the 2nd year students.

It is intimated that 50% of the increased fee is to be charged from only those students admitted in the session 2008-09 where the institution was new and admission was given on provisional fee. In case of old institutions where the fee has been revised by the SFC, the revised fee is applicable only to the 1st year students admitted in the session 2009-10.

2 Fee Chargeable from students admitted through Lateral Entry.

It is intimated that the fee Chargeable from students admitted through Lateral Entry is same as the fee applicable on the students of their batch.

This is for the information of all concerned and strict compliance please.
