THE STUDY AND EVALUATION SCHEME OF 1st YEAR

w.e.f. SESSION – 2009

1. The student centered activities should comprise of various co-curricular activities like games, hobby clubs, seminars, declamation contests, extension lectures, field visits, NCC, NSS, cultural activities and discipline etc.

3. There should be continuous evaluation of drawing sheets/ practicals/ workshop and each job should be evaluated by giving marks for each drawing sheet/ each practical/ each job in the workshop and recorded with date & maintained in the teacher's diary by teachers and in the student ledger by the institute.
4. For the subject(s) which do not have practicals, the student should be assessed on the basis of day to day tutorial/ job work. The assignments covering the whole syllabus must be prepared for tutorial/ job work.
5. ** The HSBTE Exam for the subject of Drawing will be conventional on drawing sheet.
6. There will be one objective type test examination for all the subjects covering 50% syllabi for all the subjects in the mid-semester as per the study scheme. Similarly, there will be subjective test examinations having short answer type Questions for all the subjects, separately, from the entire syllabi at the end of the semester.
7. The student(s) shall be declared pass if he/ she has attained minimum 40% marks in Theory in individual subject(s) and 40% marks in Practical in individual subject(s), separately, as per the following criteria :
 - a. Theory Awards of a Subject : Objective Test Awards of the subject + Subjective Test Awards of that subject + Theory Assessment Awards of the same subject.
 - b. Practical Awards of a Subject : Internal Practical Assessment of the subject + External Practical Assessment of that subject .
8. If the student(s) is unable to obtain the requisite score of minimum 40% marks in Theory and Practical exam of individual subject, separately, he/ she will have re-appear in that subject in theory & practical, separately, as the case may be.
